A well-balanced diet will ensure that your cat gets all the nutrients it needs for healthy growth. These include protein, fats, carbohydrates, minerals and vitamins.

Feed Friskies Dry with Omega 3 & 6 essential fatty acids to help:

- Provide your cat with a soft, shiny coat
- Promote healthy, supple skin
- Support a healthy immune system

From mischievous kitties that get into the dustiest corners of the house, to the most meticulous felines...

No matter their daily activities, they will benefit from feeling good in their own skins and outshining the neighbourhood cats. After all, beauty comes from the inside!
